

# MeacoDry Arete Continuous Drainage Pump

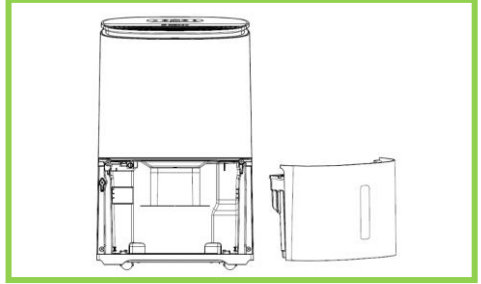

Comes with a free 2-year warranty

**What's included?** 1 x pump, 1 x 3m hose

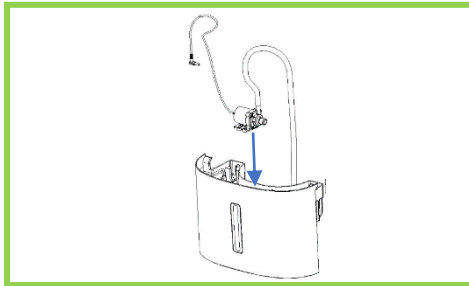

**Assembly:**

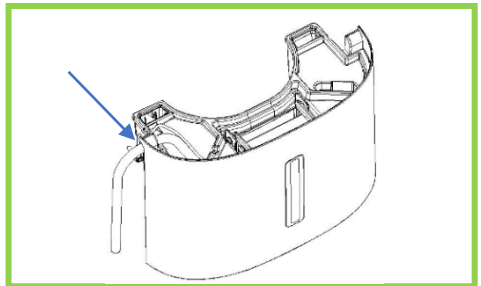

**Step 1:** Connect the hose to the pump via the vertical outlet.

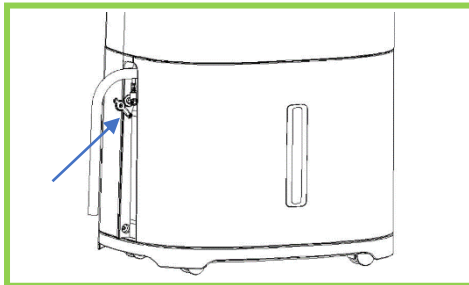

**Step 2:** Remove the water tank from the dehumidifier, lift the water tank handle and remove the water tank lid.

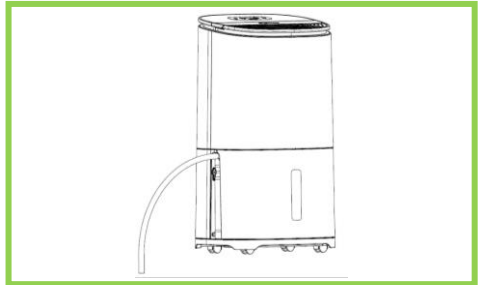

**Step 3:** Secure the pump in the space directly beneath the handle using the suckers attached.

**Step 4:** Put the water tank lid back in place, allowing the hose and power lead to exit the water tank in the gap on the left-hand side.

**Step 5:** Push the water tank back into the dehumidifier and remove the small rubber cover in the left-hand side recess. Insert the power connector.

**Step 6:** Turn the dehumidifier on. When the water tank full light comes on, the pump will start to work.

If diagrams aren't for you, scan the QR code on the back of this sheet and watch a video demonstration instead!
